Welcome to the Song and Dance Celebration

To Breathe as One!

In 2009 another Estonian family reunion - our very own Song and Dance Celebration - will take place. This Celebration is marked by significant anniversaries - it is already the 25th time that a nation comes together to celebrate the sense of belonging. 140 years ago the first Song Celebration took place in Estonia. Also Dance Celebration has impressive history going back to 1934, when the gymnastics' festival took place, in the frame of the first Estonian Games. The upcoming Song Celebration will follow the tradition that started in 1999, namely that the Song Celebration consists of two concerts of different types. The program of the first day concert is more demanding, including the Estonian, Western and vocal symphonic repertoire. All Estonian professional choirs and Estonian National Symphony Orchestra will be participating. The second day concert is more traditional, performing only pieces by Estonian composers. The artistic director of the Song Celebration is **Ants Soots**.

The Dance Celebration concert will be centered on the theme of the sea. There will be three concerts on the Kalev Stadium. **Henn Tiivel** is the author of the idea of the upcoming Dance Celebration; the artistic director is **Ülo Luht**. The Song and Dance Celebration will be preceded by Folk Music Celebration with about 200 folk musicians from folk music groups to individual players.
